*” Whatever the challenge,
be part of the solution!*

We are ASCO Engineering

Your personal dream job

Secure jobs and a fair corporate culture are the hallmark of our company.

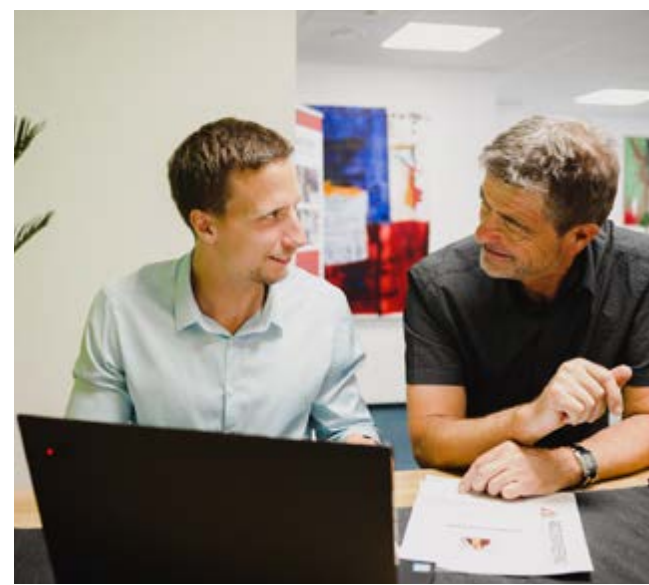

Access to hidden jobs

Many of our clients turn to us first when looking for skilled workers before they advertise the positions they need.

Career support

We use our many years of experience to give you the best possible advice and support as you embark on your journey.

How our applicants benefit

-  One application – lots of opportunities
-  Access to a wide range of industries and businesses
-  Personal contacts
-  Support with individual career planning
-  Support with technical and legal issues
-  Work and communicate as equals
-  “FIT with ASCO” events
